CLEANING CHEMICALS

NeuCoil

Alkaline Air-Cond Cleaner

Description

NeuCoil is a heavy duty alkaline cleaner for removal of slime, grime, algae and scale deposits from air conditioner coils.

Special Features

Effective in removing slime, grime, algae and scale deposits
Concentrated, economical and water soluble, mix easily
Self-foaming that purge the dirt out of the coil

Characteristics

A clear brown liquid with pleasant fragrance

Directions of Use

Spraying Method
Coil-Clean is used diluted 1:4 to 10 parts of water (depending on condition of soil).
Spray on solution. Leave solution for 5 to 10 minutes to allow foam to penetrate.
Then rinse thoroughly with clean water.

Soaking Method
Dilute 1 part to 20 parts of water (depending on condition of soil).
Soak parts to clean for 5 to 10 minutes.
Then rinse thoroughly with clean water.

Precautions

Contain caustic, handle with care.
Please refer to SDS for health and safety information.
