PERSONAL CARE

i-Repel

Natural Insect Repellent

Description

i-Repel is a natural Insect Repellent formulated from the leaves of the Lemon Eucalyptus Citriodora tree. It offers an effective protection against mosquitoes, ticks, and other arthropods for up to 6 hours from every spray. i-Repel is free of DEET.

Special Features

i-Repel active ingredient - Oil of Lemon Eucalyptus (OLE) - is a safer alternative to DEET on the skin as it is plant-based.
According to 35 studies, Insect repellents containing OLE are as effective and long-lasting as DEET-based insect repellents
i-Repel active ingredient, OLE is readily biodegradable and not known to cause any environmental concerns.
i-Repel offers effective protection that lasts up to 6 hours from every spray

Characteristics

A clear amber solution with typical odour
Ingredients: Oil of Lemon Eucalyptus* (OLE) 33%
* p-Menthane-3,8-diol (Repel against mosquito that transmit diseases such as Zika, Dengue and Chikungunya)

Directions of Use

Apply evenly to exposed skin and clothing. Do not spray directly on face. To apply to face, spray onto palms of hands and spread onto face and neck. Re-apply as needed. Recommended twice a day.

Precautions
